Honorable Judge Jesse Furman,

I am writing concerning Mr. Richard Carlsbeck who I understand has been found guilty + is for sentencing. I would like to present an angle of his character that I have observed. He has come to my congregation over the past several years + has volunteered in helping with leading the services + assisting senior members + wheelchair bound individuals.

I hope he will remain remorseful and conduct himself with utmost integrity and implore your honor to grant him utmost consideration.

Respectfully yours
Rabbi Samuel Feistels
